## PRESENTATIONS

- “Obesity and Orthopedic Surgery” presented at Grand Rounds for the John Muir Hospital System, November 2017.
- “Arthritis Treatment Options” presented at Grand Rounds for the John Muir Hospital System, February 2016.
- "Treatment Options for Knee and Hip Arthritis" presented at Arthritis Foundation Expo, November 2014, Berkeley, CA.
- “Subacromial Pain Pump Use is Safe at 2 year Follow-Up after Arthroscopic Rotator Cuff Repair” presented at the Western Orthopedic Association Meeting, June 14, 2012, Portland OR.
- “Osteoporosis: The Medical and Orthopedic Perspectives” presented for CME credit at Sutter Delta Hospital Grand Rounds in June 2010.
- “Subacromial Pain Pump Use is Safe After Arthroscopic Rotator Cuff Repair” presented at the 2010 Verne T. Inman and Leroy C. Abbott UCSF Alumni Research Symposium in May 2010.
- “Shoulder Pain: Rotator Cuff and More” presented for CME credit at Sutter Delta Hospital Grand Rounds in March 2010.
- “Comparison of Two Techniques of Double Row Fixation for Rotator Cuff Repair: The Importance of Medial Row Knots.” Presented at the Kerlan Jobe Annual Meeting July 2007 and at the 2008 Verne T. Inman and Leroy C. Abbott Alumni Research Symposium.
- “Management of the Arthritic Knee” presented at the Kerlan Jobe Orthopedic Clinic Grand Rounds in April 2007.
- “Anterior Cruciate Ligament Reconstruction: Natural History and Controversies” presented at the Kerlan Jobe Orthopedic Clinic Grand Rounds in November 2006.
- “Femoroacetabular Impingement” presented at the UCSF Orthopedic Surgery Grand Rounds in September 2005.
- “Whole Patellar Allograft for Total Knee Arthroplasty in Patellectomized Patients” presented at the 2005 Verne T. Inman and Leroy C. Abbott Alumni Research Symposium.
- “Hip Fractures in Young Patients: An Evidence-Based Approach” presented at the UCSF Orthopedic Surgery Grand Rounds in September 2004.
- “Elbow Injury- Proximal ulna stress reaction in a baseball pitcher” presented at the 2003 ACSM Case Presentations in San Francisco, CA.
- “Pediatric Hip Fractures” presented at the 2003 Verne T. Inman and Leroy C. Abbott Alumni Case Presentation Symposium.

- “Extended Medial Gastrocnemius Rotational Flap for Extensor Mechanism Deficiency for Patient With and Without Total Knee Arthroplasty,” presented at the 2003 Verne T. Inman and Leroy C. Abbott Alumni Research Symposium.

## **TEAM PHYSICIAN PARTICIPATION**

- Orthopedic Consultant for local Antioch High Schools
- Staff Team Physician for St. Mary’s College, Moraga, CA. 2011-2013
- Assistant Team Physician for Glendale Community College, Glendale High School 2007-2009
- Assistant Team Physician for Loyola Marymount University 2006-2007
- Participation in medical staff for Los Angeles Dodgers, Lakers, Sparks, Kings, and Anaheim Ducks 2006-2007

## **PROFESSIONAL SOCIETIES**

- American Academy of Orthopedic Surgeons
- Arthroscopy Association of North America
- American Orthopedic Society for Sports Medicine

## **MEDICOLEGAL EXPERIENCE**

I have given deposition testimony and reviewed cases for both defense and plaintiff, and I have experience with product liability litigation.

My trial experience as an expert witness involved:

- Trial testimony in the case of Medina v. City of Menlo Park regarding a shoulder and upper extremity injury in July and August of 2009. I worked directly with Stuart Plunkett Esq at Morrison and Foerester LLP, 425 Market St # 30, San Francisco, CA (415) 268-7000. Plaintiff.
- Trial testimony in the case of Beale v. I-Flow, in January of 2010. I worked directly with John Coletti, Esq., at 1022 NW Marshall Suite 450 Portland, Oregon. (503) 226-6361 and Laura Kalur, Esq., 9755 SW Barnes Rd., Ste 450, Portland, Oregon (503)-595-4145. Plaintiff.
- Trial testimony for Smith v. Ellis in October 2013 in San Joaquin County Superior Court, No. 39-2012-00288414-CU-PA-STK. I worked with Lawrence Knapp, 250 Dorris Place, Stockton, CA 952014, (209) 946-4440. Plaintiff.

- Trial Testimony in the case of Hansen v. East Bay Floorcovering, Inc, et al in Alameda County Superior Court, Case No. RG15765238. Defense.
- Trial testimony in the case of Zavala v. Quesada, M.D., filed in Clark County, Nevada as Case No. A-14-699223-C. Defense.
